About Us

Appleton Marine is a leading manufacturer of custom cranes, winches and specialty equipment for worldwide applications. Appleton Marine provides comprehensive product development and manufacturing services to leading companies in the marine, defense and mining industries. At Appleton, you will work with knowledgeable employees serving a global environment providing the highest quality equipment for some of the most demanding applications. We provide quality machinery and services to such customers as General Dynamics, Lockheed, Northrop Grumman, Fluor, Shell, Chevron, Exxon Mobil and the US Navy & Coast Guard. Together we will transform our customer's cutting edge ideas into market leading products through product design, product development, testing, assembly and installation in some of the most demanding environments. At Appleton, we take pride in our employees and our high quality products and services. Please consider joining our team today and experience the difference that a small company like Appleton Marine has to offer.

Responsibilities

1. Install custom designed marine equipment both domestically and internationally.
2. Work with customers both on site and remotely to identify and solve equipment problems.
3. Coordinate and supervise installation activities of large equipment.
4. Arrange travel to satisfy customer requirements.
5. Functionally test equipment to satisfy test specifications, customer requirements and certifying agency specifications.
6. Train end users to operate and maintain equipment.
7. Assemble and test equipment at manufacturing facility before final shipment.

Qualifications

All candidates must have legal authorization to permanently live and work in the United States without visa or employer sponsorship.

Education/Experience:

- Must possess basic mechanical, electrical and hydraulic knowledge. BS in Engineering or related field a plus.

Skills/Knowledge/Abilities:

- Possess strong analytical skills and basic knowledge of mechanical, electrical, & hydraulic systems.
- Ability to work in a team environment.
- Possess good verbal and written communication skills.
- Ability to travel both domestically and internationally for extended periods.

At Appleton Marine we realize that our employees are the key to our continued success. That is why we provide a stimulating environment that fosters sharing of ideas, use of the latest technology and teamwork. We support our employees as they take on new challenges, celebrate their successes and believe in sharing our profits. In addition to offering a competitive salary, ESOP ownership and bonus opportunities, Appleton offers an excellent benefits package including tuition reimbursement and medical insurance.
